

# Parking Options for Avalon Theatre

\* Walkways through to Main Street

The distance from Parking Lots A & B to the theatre is similar to the distance from the church, gym, or mortuary parking lots to the GJHS Auditorium. Please note, Lot B is at Enstrom's Candies. Please be courteous of their customers, since their store is open until 7 pm on Saturday and 4 pm on Sunday.

The distance from Parking Lots C & D to the theatre is similar to the distance from the Sherwood Park residential streets to the GJHS Auditorium.

Parking Lot E is the Parking Garage, which is an excellent place to park for those that plan to go to a restaurant before or after the show (close to many of the restaurants in the 300 & 400 block of Main Street).
